

Questions to ask my doctor

about regular eye exams

Please print this page and discuss the following questions with your doctor.

Questions	Doctor response
Why is it important to have a dilated eye exam?	
What type of eye exam do I need and who should perform the exam?	
How often should I have this exam?	
If problems are found, what type of treatment will be required?	
What symptoms would warrant an urgent evaluation?	
Is there anything I can do to lower my risk of developing eye problems.
